

I am a resident here in Aloha, Oregon where K-LOVE is broadcast. K-LOVE is a very important radio broadcast to me. It helps to improve my quality of living each day through its uplifting music. The local community would lose much if K-LOVE were displaced by an LPFM broadcaster of other programming. K-LOVE's broadcasts serve me and all listeners with messages and music that refresh our attitudes. As life is 10% what happens and 90% our attitudes in response, K-LOVE's service is important in affecting how people deal with their lives and how they treat one another. K-LOVE serves the public interest with positive broadcasting that encourages people in their attitudes and actions. Please do not give LPFM priority over FM translator service. I hope K-LOVE will be broadcasting in my area for years to come! Thank you!
